M-SPAN Shelving

The all new M-Span shelf is designed to be easy to clean and last a lifetime for an affordable price. Made by over moulding a sub frame with Food Grade Polypropylene to produce a strong shelf in one process. This patented technique reduces the cost and the carbon footprint to benefit both the customer and the environment.

▶ **WEIGHT LOADING:**

M-Span shelves are rated to 200kgs evenly spaced per tier up to 1200mm long. Sizes 1350mm, 1500mm are rated to 150kg evenly spaced.

Shelf clips are rated to 150kg up to 1200mm and 100kg for 1350 and 1500mm long shelves.

▶ **ASSEMBLY:**

M-Span Shelving is quick and simple to assemble requiring no tools. Clear access corner units and add on units use stainless steel M-Span shelf clips eliminating 2 posts. All Shelf Posts come standard with adjustable feet.

▶ **WARRANTY:**

M-Span Shelves: 20 Year Non Corrosion Warranty + 12 months Structural Warranty against manufacturing defects.

Posts: Choose between 304 Grade Stainless Steel and Galvanised posts. Each have a 12 month Structural Warranty against manufacturing defects.

▶ **ANTI-MICROBIAL PROTECTION:**

M-Span shelves have **LIFE MATERIALS** Anti-Microbial Protection built in during the manufacturing process to help maintain hygienic food storage.

▶ **AIR FLOW:**

The large flat open surfaces of the M-Span shelf enhance the airflow through the holes in the surface of the shelf.

▶ **USAGE:**

M-Span shelving is suitable for dry store, coolroom and freezer use. The large flat surfaces can be written on, this is handy for organisation or customer info.

M-SPAN Shelf Sizes

Top Track Compactus Shelving

Ideal for wet areas, Top Track Shelving provides clear uninterrupted floor space for cleaning and trolley access. There are no floor tracks to gather debris or trip over.

Mobile assemblies are fixed to bases with large diameter heavy duty castors to ensure ease of movement. Guided between the top tracks shelving bays can be easily opened when required.

M-Span, Real Tuff and Wire Shelves can be used for Top Track Compactus Shelving.

- ▶ **OPTIONS**
- Rear and Side Mesh Panels
- Rear and Side Ledges
- Product Stops
- Shelf Dividers

Compactus Shelving Dimensions
